

# CLI Groups, Inc. has been acquired by ACCESS!

We are absolutely thrilled to announce that CLI Groups, Inc. has been acquired by industry-leading DMC ACCESS Destination Services. Effective immediately, your CLI team will become part of the existing ACCESS team in Las Vegas and will be operating as ACCESS Las Vegas.

This acquisition has been in development for almost two years and it's an understatement to say it's something we didn't take lightly. Simply put, this acquisition is about continuing to deliver what our clients want and need most. Joining ACCESS allows us to become part of a larger brand with a national presence, while maintaining our strong local expertise – two key priorities for more and more of our clients.

Both CLI and ACCESS' longevity and reputation for excellence is well established within the industry and it's tremendously exciting to bring two talented teams together that have so much history in the Las Vegas market. As ACCESS Las Vegas, not only can we better serve our clients at the local Las Vegas level, we become part of a brand that can serve our clients in multiple destinations across the country.

News of the acquisition will be officially announced early next week but we wanted you – our valued clients and industry partners – to be the first to know about this big but exciting news. We can't thank you enough for your support of CLI Groups, Inc. over the past 16 years and we look forward to continuing to serve you as ACCESS Las Vegas!

Warmest Regards,
